

Hi Chrissy,

Although I am nowhere near as eloquent as Sari, I too appreciate all the time, energy, blood (literally), sweat and tears you've given FSF.

There are not many positions in the organization that have a direct impact on the families we serve, but yours is one of them. There is no doubt the families that benefited and enjoyed the meals you put together will miss you. I know our volunteers will miss you. And of course, we will miss you.

I wish you health and happiness as you pursue new opportunities. Please let me know if there is anything I can do.

I'll be there next week and we can chat about FSF moving forward post-Chrissy.

Thank you and we'll see you soon.

Paco

President
