

Letter of thanks 6/24/23

Lucky Beach Restaurant, Hilton Head Island

“Thank you so much for all of your hard work. I meant what I said in the leadership meeting yesterday that these past two weeks may have been the hardest two weeks I’ve ever experienced and that we absolutely wouldn’t be where we are without you. I know they were hard for you too.

I cannot express my gratitude for what you accomplished though. Thank you so very much.”
