

To Whom it may Concern:

Please consider this letter as my official recommendation for Chrissy Benoit as a culinary professional. I was fortunate to work with Chrissy several times over the past two years as the City of Pompano Beach Community Redevelopment Agency (CRA) develops its Culinary Incubator Program.

Chrissy is the consummate professional who always demonstrates the practical applications of her work. She was instrumental from the concept of the incubator through recommendations and guidance for issuing the Request for Proposal for the culinary program manager. I highly recommend Chrissy for any role she pursues knowing that she will effectively and creatively bring success to the endeavor. I would be more than happy to answer any questions you may have.

Sincerely,
