RE: Letter of Recommendation for Ms. Chrissy Benoit

To Whom It May Concern:

During the year that I have known Chrissy, we have worked together, she has reported to me, she has been a mentor to my operational staff, and we have formed a great friendship. Chrissy has always conducted herself in an extremely professional manner, openly shared her knowledge of restaurant operations and workouts of the various difficult situations that arise, and has proven her expertise across a gamut of challenges. Chrissy was able to lead a diverse staff, mentor the general managers, as well as assess, advise, and implement improvements to the menu and operations of the restaurant.

Chrissy has been an invaluable resource in all aspects of planning of upcoming projects ranging from: restaurant and kitchen design; drinks and food menu planning and tasting; and, introductions to service providers across the board.

Because of her values and professional experience, as well as the friendship I now enjoy, it is both my privilege and pleasure to recommend Chrissy Benoit to you. You may feel free to reach out to me at any time.

Sincerely,

Rosemarie E Stoffo
