

## Questions to Assess Assistance Requirement

Answer as many as seem fitting or that you can so we can assess how best to get you to the finish line! Once completed simply email back to us at [cbenoit@C5-Services.com](mailto:cbenoit@C5-Services.com). For any questions or concerns feel free to call or text 321-424-9149

Is this a permitting concern?

Has the permit been filed?

Is this an abandoned or expired permit situation?

Is this to correct an unpermitted situation?

Is this a master permit or a sub permit.

Is this a licensing concern or need?

Is this an oversight need (stay on top of everyone to keep things moving, till it's done!)

Is this project particularly time sensitive (closing of a sale, deadline for opening etc)

Is this a change of service situation (change of contractor, change of architect or engineer?)

Any additional concerns you want to share?
